

## Scholarship Application Form

**This form is for those applying for financial assistance.**

**Please submit completed form to the address above.**

It is the intention of the SE T-Birds make every effort to ensure our program is open to all interested members of the community. With this goal in mind, we have created a scholarship application process for existing and prospective members with a special need or consideration for them to participate. Your application will be reviewed by the GM and will be assessed based upon multiple criteria. We have a limited number of scholarships funds and we regret that we cannot assist everyone who applies for a scholarship, but are making every effort to ensure as many players as possible have an opportunity to play organized football.

Filling out a scholarship application does not guarantee that my child will be approved. T-Birds will take all applications into consideration and will let applicants know their status as soon as possible. Scholarship dollars will depend on different factors including but not limited to money in reserve for scholarships, number of players applying for scholarships, and financial needs of the family.

• Scholarships cover partial registration fees. All scholarship recipients are required to pay half of the total registration amount by the same due date applicable to all players. Any and all unpaid balances from any prior participation in T-Birds must be paid before this application will be considered.

**Parent Commitment**

• All scholarship recipients are **required** to have parent/family member volunteer a **minimum of 10 hours** during the football season. This may include assisting in association activities by helping with equipment sizing, equipment handout, equipment turn in, team parents, field setup/tear down, practice field clean-up, game field clean-up, chain gang, etc. Please note, failure to meet your volunteer activity requirements will make you ineligible for any future scholarship considerations from BYFA.
